School values

School values at Gladstone Views are shown in many ways. The children in this photo are from 1R and they take great pride in their school. Every day they make sure that any rubbish they have goes into the bins when playing outside. They also pick up any other rubbish they find and put that in the bin. Gladstone Views PS are very lucky to have children who show great respect for their school. Thank you to the students.

Attention parents

Can you please help?
In the SCART room we need small recycled items such as:

- empty clean fruit cups
- empty clean water and soft drink bottles - No milk or juice bottles please
- cereal boxes
- soap boxes
- toothbrush boxes
- bottle lids
- cardboard rolls - No toilet rolls or egg cartons please

Thank you, Ms Groch and Mr Jasenia

SCART

Amazing things happen in SCART. This term children have produced wonderful pieces of art that are very proudly displayed around the school. Children in grades three and four created the city silhouettes. Children in grades five and six created the space prints.

New books

Great news.... We are very excited as \$4,500 worth of new books have been purchased for our Junior and Senior Reading resources. All books have been labelled and added to our Reading tubs for our students to read and enjoy..... Happy Reading (pictured are some of the books that can be found in the junior school).

Items distributed with today's newsletter:

Book Week Information
