## 100 Days of School

On Tuesday children in grades one and two celebrated 100 days at school. They explored the number 100 and what it looks like when represented by different objects. Children particularly enjoyed using the Aging Booth App to see what they would look like if there were 100 years old. There are wonderful displays in classrooms and on external windows. If you have the chance, please take a look.

## Gladstone Park Secondary College Performance

The Addam's Family performance at Gladstone Park Secondary College was a heartfelt, spectacular performance. The songs, characters and story was entertaining, not just for the students, but for the teachers and parents who tapped along. All the actors fitted into their roles nicely and it was so fantastic how committed they were to their role. You could see how much time and effort the actors and musicians did to make this performance awesome and a memorable moment for everyone.

## School Nursing Program

The Visiting Primary School Nurse from the Primary School Nursing Program will be visiting our school in early August to:

- Distribute the confidential Primary School Nursing Program Information Package and School Entrant Health Questionnaire (SEHQ) to all parents of Foundation children. The questionnaire provides parents and/or carers with the opportunity to raise any concerns you may have about your child's health and development with the school nurse
- assess children referred to the school nurse in Grades 1-6
- assess children who are newly arrived from overseas
- follow-up children where school nurse intervention was previously required
- provide advice and health information

Prompt return of all the SEHQs with consent or non-consent would be appreciated.

## Notes to be returned to school:

Grade One and Two Gladstone Park walking excursion due by **Thursday 2nd August**

## Car Park Reminder

Conditions for use of the staff car park are clearly displayed at the entrance and parents/carers are required to abide by these conditions. Please be respectful of our school environment and 'follow the rules'.

## Prep Enrolments for 2019

Families with children preparing for Prep next year are encouraged to complete an enrolment form before the end of this term.

## Visit from the Premier

Last Thursday we had a surprise visit from the Victorian Premier, Mr Daniel Andrews and our Local Member of Parliament, Mr Josh Bull.

They enjoyed a tour of the school and attended afternoon tea with our School Captains. Mr Andrews announced that if re-elected, The Labor Government would invest \$3.1 million to Gladstone Views Primary School.
