Italian Day – 26th November It's Finally Time!

Monday will see the school celebrate all things Italian. Mrs Marcucci has a wonderful variety of activities and a delicious lunch planned for the day. Her work to organise this event has been outstanding.

Reminders

- dress up – the theme is Italy
- performance in the gym at 2.30pm (families welcome)
- lunches have been pre-ordered – no canteen lunches available on this day

Secondary School Science

Our year six students ventured down to Gladstone Park Secondary College to take part in a morning of science activities on Monday. This program provided the students with an opportunity to become more familiar with the secondary school environment, assisting with their transition into year seven.

Staff at the college were impressed with the behaviour and attitude of our students, especially when the experiments did not go quite as planned (which often happens in science). The outstanding work done in our science department has clearly given the students a solid background in this exciting and engaging subject.

Year Two Swimming Program

There was great excitement in the year two classrooms on Tuesday morning as students arrived at school on the first day of their swimming program. Whilst children regularly go swimming with their families being responsible for their own belongings and being involved in a school swimming program is quite different and all the students handled the challenges extremely well.

A lot of work has been done behind the scenes to introduce the swimming program. I would like to recognise the work of the year one and two teachers in regard to this program and thank the parent volunteers who are assisting at the pool each day.

School Camps

As the school has grown, the number of students attending combined year level camps (years 3/4 and 5/6) have increased. To provide students with a more personalised camping experience students will attend with their own year level only.

Camps will be run every year for students in year four and year six. This means that all students still attend two camps during their time at primary school, but will be in smaller groups.

Plans are already underway for the year six camp that will be held in March next year. The camp for year four students will be in October.

Booklist Supplies

Book packs for years three to six will be available for collection from the office from Tuesday 4th to Friday 7th December. Please note grades Prep to Two book packs will remain at school for 2019 school year.
