Welcome back to term 4. Such a busy term with Camp, Sports events, Reports, Graduation, Prep transition etc. Mr Jasenia is on leave for the term and Mrs Crole will be covering his role. We also have our Walk to School program as well. I would like to thank Miss Cetin, her team of teachers and students for their eagerness.

Preps For 2016

Over the last two terms we have been conducting numerous tours for next year. We would like to finalise our prep numbers for 2106 as soon as possible. The response has been fantastic and we look like running three prep classes next year as well as two additional classes across the school. We know that there are still quite a few families that have not enrolled and I encourage them to do so as the grades are filling up quickly.

Have a wonderful week

Michael West

Dear Parents,

For the month of October Gladstone Views Primary School is participating in the Victorian initiative "Walk to School." This program encourages primary school children to walk to and from school, highlighting the benefits of regular physical activity.

Walk to School provides a great opportunity for students to get some exercise and enjoy the beauty of the school environment. It also helps to promote healthy habits from an early age.

We hope you will encourage your child to walk to school whenever possible during this month. It’s a great way to start the year on a healthy note!

Sincerely,
