The Department of Education and Training (which includes all Victorian government schools, central and regional offices) values the privacy of every person and is committed to protecting information that schools collect.

All staff, service providers (contractors) and agents, (whether paid or unpaid) of the Department, and this Victorian government school (our school), must comply with Victorian privacy law and this policy. In Victorian government schools the management of 'personal information' and 'health information' is governed by the Privacy and Data Protection Act 2014 (Vic) and Health Records Act 2001 (Vic) (collectively, Victorian privacy law).

School are required to refer The Department of Educations and Training's Privacy Policy which explains how our school collects and manages personal and health information, consistent with Victorian privacy law.

The policy can be found at <https://www.education.vic.gov.au/Pages/schoolsprivacypolicy.aspx>.
