

2026 Parent Payments and Contributions

Dear Parent/Guardian,

Gladstone Views Primary School is looking forward to another great year of teaching and learning and would like to advise you of Gladstone Views Primary School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer. The Department's Student Resource Package meets most of the costs related to salaries, administration, and operational costs such as heating and cleaning. However, it does not meet the full cost of individual student packs, classroom packs and consumables associated with some specialist's programs.

The Gladstone Views Primary School Council has approved the school's parent payment contribution schedule.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Alexander Mowat

Principal

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
