Airport West Christmas Display

The Visual Art Room has been a buzz with excitement as students completed a collective art piece

for the Christmas display at Airport West Shopping Centre. Earlier this term, our school was provided with a wooden reindeer to decorate. We were inspired to design our Reindeer with a patchwork theme after reading the story book 'Elmer' written by David Mckee. This story talks about Elmer the patchwork elephant who looks and acts a little different to all of the other elephants but is loved by all for his uniqueness.

At Gladstone Views Primary School, we pride ourselves in sharing this culture and appreciating each and everyone's differences.

All year levels participated in creating our beautiful display. Mrs Prebeg, Mrs Silva and Ms Martin are so proud of each and every student's hard work and dedication. We encourage you all to make your way to Airport West Shopping Centre to view our schools Reindeer along with others created by schools in the area. Thank you again to all students for their fantastic work in the Visual Art Room this week!

School Wide Positive Behaviour!

Exciting times ahead!

Our Whole School Rewards System is up & running!

Each classroom has been given SWPBS Pockets to display where the students can store the compliment cards they have earnt. Students will continue displaying excellent behaviours inside and outside the classroom to work towards a prize from the Menu of Rewards.

The teachers and students of GVPS would like to send a very big THANK YOU to Amy Drury and the Drury Family. Without your contribution and hours of volunteered work, the SWPBS Whole School Reward System would not have been possible. The Drury Family have made over 1000 SWPBS Compliment Cards which the students are now using.
