Fathers and Others Day Stall

On Thursday 29th August we will be holding our Fathers and Others Day Stall, where all students will have the opportunity to buy a gift for Dad, Granddad/Grandpa or for someone special.

Gifts will be priced between \$1 and \$6, and we ask if students can bring a bag to place their gift in.

We are looking for volunteers to help out on the day. The stall will be

run in two sessions (9:00am to 11:30am and 12:20pm to 2:00pm). If you have a current workers with children check and are able to help us out, please contact the office.

Tee Ballers Swing for State

Our Boys and Girls Tee Ball teams headed to Mill Park on Tuesday 20th of August to compete in the NMR Finals, the winner progressing to state. Both teams have had an amazing year, they have put in copious amounts of training and learning the new skills. The opposition was extremely tough and both teams stepped up the intensity to match the level of competition but unfortunately couldn't take home the chocolates on the day. The boys team finished 3rd and the girls team finished 5th. It was an amazing effort to get this far in the competition, especially being the first time we had competed in Tee Ball as a school. Mr Woolcock would like to thank all the students for their time and effort this season and also to Ms Cheal, Ms Davis and Mr Crane for their hard work training the teams this term.

It Sausage Time Again

The fundraising committee of the School Council is at it again, with another Bunnings Sausage Sizzle on Sunday September 1st. The last sausage sizzle at Bunnings was a HUGE success, with many parents donating their time and some of the items we needed for the day. Now we need your help again.

If anyone can donate some time on Sunday 1st September it would be much appreciated, we are happy to have you with us, for an hour or two or even 4. If you are free could you please sign up at the School Office or notify the school the times you can be there.

We are also looking for some donations of the items we need on the day, if anyone who can't donate their time and wants to still help out, things we need on the day include;

Tomato Sauce, Mustard, Vegetable Oil, Sauce containers, Bread and Cans of soft drink or Water.

Thank you in advance.

Australian Girls' Choir Workshop

We are very fortunate to have the Australian Girls' Choir (AGC) back this year for another assessment workshop. This workshop will be for any girls in Prep and above and will be on Wednesday September 11th at 2:45pm (Session 6). On the day, interested girls will participate in a fun and inclusive workshop with one of AGC's experienced tutors, involving simple rhythm, pitch and movement activities and games. Following the workshop, the Australian Girls' Choir will send a personalised written report to the parents of each girl who participated. If your daughter is interested, please fill out the permission slip and return to the office as soon as possible. Thank you.

School Uniform

With the cold weather we understand the need for extra layers. Jackets, beanies and gloves can be worn out in the yard on cold days but it is expected that students wear full school uniform in the classroom and under jackets. We know sometimes there is unforeseen circumstances, in these cases, please write a note to explain to the teacher the reason for being out of uniform.

Old School Uniform

We are currently looking for some donations to our First Aid Room supply of spare school uniform. If you have some school uniform that is in good condition and may no longer fit your child/ren and are willing to donate it would be much appreciated.

Premiers' Reading Challenge

2 weeks to go! The PRC ends on Monday the 2nd of September, make sure you have logged all of those books you have been reading. Don't worry there is still time to add to your list.
