Assembly next week

This photo was taken almost one year ago when Premier Daniel Andrews and Member for Sunbury Josh Bull visited our school and made the announcement that a re-elected Labor government would invest 3.1 million dollars to upgrade Gladstone Views Primary School.

Mr Josh Bull MP will be attending our school assembly on Friday 21st June to present a cheque for 3.1million dollars. We would like to invite all families to attend assembly next Friday 21st June at 2:45 in the school gym.

Student Conferences

Parents will have the opportunity to discuss their child's development and progress at the Student Conferences to be held on Thursday 27th June. Parents are now able to book in a suitable time via COMPASS. All discussions will last 10 minutes. We encourage all families to make these valuable discussions a priority and book a time. An information note is coming home today with students.

Mrs Rizk's grade (3R) Student Conferences will be held on Monday the 24th of June.

Mr Grinter's grade (5/6G) Student Conferences will be held early in term 3.

Mid-year reports

Staff are in the process of compiling reports which will summarise the progress of all students throughout the first half of this year. These reports will be sent home with students on Friday 21st June. Parents are encouraged to read the reports thoroughly and bring any thoughts and questions to the Student Conferences.

Prep Enrolments for 2020 – Enrol Now!

Families looking at enrolling Prep students for next year are encouraged to complete and submit enrolment forms now to assist us with planning for 2020. Enrolment forms are available from the office.

Writing in our classrooms!

In writing, students find themselves. When students write, their peers will want to read what they have to say. When they read aloud or share a personal moment, their peers will listen. Publishing student's work inspires others to write and draw in a powerful and telling way. Publication is a great motivational tool for many students, involving even those who do not consider themselves writers. It makes them feel proud of themselves and what they have accomplished.
