Whole School Writing Stimulus

Have you been into our school foyer this week? If you have you would have noticed a crime scene. Have a look at the photo below and see if you can figure out what might have happened. All children will be visiting the scene during class time and using this scene as a stimulus for a writing piece. We will publish some pieces in the next few weeks.

**GLADSTONE VIEWS ATHLETICS CARNIVAL**

What an amazing day, over 240 students, staff and family members braved the cold conditions at Keilor Park Athletics Track for our annual Grade 3-6 Athletics carnival. Students participated in field events; shot put, discus, triple jump, long jump and high jump as well as 800m. We also had our 100m sprint finals and we

also had an ultimate boys and ultimate girls relay to finish the day.

The final scores are still being tallied and the winning house will be awarded the Athletics Shield at tomorrow's assembly. Thank you to all the students who put in a

lot of hard work this term refining their skills and for yesterday, where they pushed themselves to do their personal best. A HUGE thank you to all the people who volunteered their time to come and help out with the events and those who came along and cheered the students on, the day wouldn't be a success without your help. Lastly, thank you to all the staff in attendance and to those back at school who make these major events happen.

Good luck to those students who have qualified for the Broadmeadows District Athletics Carnival that will be held in August. More information will be provided on this in the near future.

Eid Mubarak to everyone in our community who are celebrating Eid-ul-Fitr this week.

Playground Use Before and After School

One of our school safety arrangements or 'rules' is that students do not play on the playground equipment before and after school. This may seem unusual, as of course we want children using the equipment and developing their skills.

There are a number of reasons for this, including, reduced yard supervision at these times and the fact that we don't want children coming to school before 8.45am. The incentive of playing on the equipment can encourage early arrivals.

Thank you for your understanding.
