Community Celebration

Tuesday 4th December

Mrs Culleton has been extremely busy with her team organising the community celebration that will be held next week. We are hoping for fine weather, however, plans are in place should this not be the case.

Teachers and students have a range of displays and performances prepared and are looking forward to showcasing some of the wonderful work that has been done this year.

Hume Council Scholarship

Each year the Hume Council provides schools with the opportunity to nominate one year six student to receive a scholarship. This program was established in 1999 to support the education of promising and deserving students in Hume.

We are delighted to inform the school community that the recipient of this award for Gladstone Views Primary School was Atiana.

Atiana is a quiet achiever. She approaches all aspects of school in a dedicated and productive manner. Atiana displays all the school values and always does her very best. Throughout her time at Gladstone Views, Atiana has shown great interest and ability in learning the Italian language and has excelled in the Gladstone Park Italian Poetry Competitions. Her application to this subject has enabled her to be successful in gaining entry into the Immersion Italian Program at Gladstone Park Secondary College.

At the awards ceremony last night, Atiana received a grant of \$1000 to be used to support her education. Congratulations Atiana, we are very proud of you and all that you have achieved.

Italian Day

Our Italian Day was a huge success with students fully engaged in pasta making, soccer clinics, art activities and relays. Mrs Marcucci's outstanding organisation and passion for 'all things Italian' ensured the day went smoothly and that learning was combined with lots of fun.

Students enjoyed the opportunity to dress up and it was clear that a lot of work went on at home in regard to designing and creating outfits and props. The support of

families in organising costumes was greatly appreciated and added to the colour and vibrancy of the day.

We were fortunate to have a large number of parent volunteers assist with activities, and the delivery of a huge number of pizzas and gelato.

The celebrations continued at home with many students cooking the gnocchi made at school and even sending photos of their delicious looking dishes back to school.
