Emergency Drills

Throughout the year we review our emergency response processes to ensure all staff and students know what to do in different situations. This week we have been practising our emergency drills.

The children have become very familiar with the emergency drills and their response to each drill has been extremely calm. Our evacuation to Ginifer Reserve was especially good with all staff and students on the oval and accounted for within seven minutes.

Ambulance Attendance at School

Ambulance Victoria

Fortunately, most parents don't know what happens when children require emergency assistance at school. Many of you would have seen ambulances at the school last week, and so it seems an opportune time to provide you with some information regarding our school processes.

In any situation in which we are concerned of a child's health or wellbeing an ambulance will be called. Our first priority is to log the call and get an ambulance dispatched. As soon as possible after this we endeavour to make contact with parents/carers.

If parents/carers are not able to arrive at the school prior to the ambulance departing a staff member will travel and stay with your child until a family member is able to resume duty of care.

School Performance

A large crowd of family and friends turned up last Friday to enjoy our whole school singing of 'You Can't Stop the Music.' The students have thoroughly enjoyed the opportunity to perform as a whole school.

TRIVIA NIGHT

Friday 19th October

What colour is sarcoline?

Which ocean on Earth is the largest?

Which continent has the fewest flowering plants?

You don't need to know the answers to these intriguing questions to have great time at our school Trivia Night. The aim of the night is fun (although the teachers will be keen to retain their championship title after winning Disco Bingo last year!).

With tickets only \$20 and lots of prizes to be won it promises to be a terrific night.

SAVE THE DATE

Family Celebration Evening

Tuesday 4th December

Join us for a wonderful evening celebrating the 2018 school year. More details will be provided next term.

WALK TO SCHOOL

Walk to School is an annual program at Gladstone Views. Teachers meet children at three locations and walk with them to school. Parents are welcome to join the walk.

The aim of the program is to encourage walking to school and provides an opportunity for families to see who lives near them and possibly organise for children to walk together in the future.

Walk to School will be held on:

Thursday 11th October

Thursday 18th October

Thursday 25th October

Meeting Points

△ The milk bar on the corner of Carrick Drive and Clarke Drive.

△ The milk bar on the corner of Carrick Drive and Trentham Drive.

△ The corner of Wolverton Drive and Adrian Court near Gladstone Park Secondary College.

Teachers will arrive at meeting points by 8.20am.

Walks start at 8.30am
